

COMBINED HOSPITALIZATION 

Accident

An insurance policy that pays cash directly to you to help pay out-of-pocket costs when an accident strikes.

Because Accidents Happen

When you suffer an accident, you shouldn't have to worry about how you'll pay for added expenses or everyday bills.

This policy pays up to \$12,000 a month, with daily benefits starting the first day you are hospitalized* due to an accident. Plus pays you a recovery benefit following hospitalization for a minimum of 10 days.

Protects you from any accident whether:

- In a car, bus, taxi, truck, or train
- On a motorcycle, boat, ATV or any recreational vehicle
- In a private or commercial aircraft
- Hunting, fishing, or participating in any sport or recreational activity
- Fire or smoke inhalation

* Admitted to a hospital or confined to a hospital for a minimum of 20 hours.

In Other Words:

Regardless of your occupation or hobbies, we cover you if you are injured at home, at work, at play, or any activity whatsoever, 24 hours a day, 7 days a week, 365 days a year*.

Pays cash directly to you in addition to benefits provided by any other insurance policy, Workers' Compensation, or any government employment insurance program.

*Subject to policy exclusions.
